VERSES:

France to Quebec, the trip was long.  
Mathurin, Peter and John  
Bientot rejoin par cousin Robert,  
Ils font leurs vie en travaillant la terre.

God-fearing people, we know they are.  
Their faith in God has gotten them this far.  
Big obstacles they overcame.  
Respect and Honesty reflect their name.

As gentle farmers, they were well known,  
Caring for their family and home.  
Not afraid to stand their ground,  
Never let themselves get pushed around –  
No.

As enterprising as they could be,  
That's how we know the Gagnon Family.  
Travaillant fort de toutes facons,  
Comme ca on connait la Famille Gagnon.

Les trois garcons, they came from France.  
Seeking their fortune, they took a chance.  
They toiled the land day by day,  
Thanking the Lord as they sang and prayed.

Just look around and you will see  
You're a part of Gagnon history.  
From many miles, you may have come  
To rediscover just where you've come from.
